PROFILE

Higher Technician in Network Systems Administration (ASIR), currently taking the Specialization Course in Cloud Computing. Hands-on experience in IT support and systems administration at Barcelona City Council, with knowledge of Linux, Windows, networking, databases and cloud computing. Looking to steer my career towards cloud infrastructure and automation.

SKILLS

- **Cloud & DevOps:** AWS, Azure, Terraform, Docker, Kubernetes
- **Systems:** Windows, Linux, Advanced CLI / terminal, VirtualBox and virtualization
- **Networking:** TCP/IP, DNS, DHCP, VLANs, Cisco Packet Tracer
- **Programming:** Python, Bash, Git, VS Code
- **Web development:** PHP, HTML, CSS, XML, JSON
- **Databases:** PostgreSQL, MySQL, MariaDB
- AWS GameDay National Championship finalist (official certificate)
- Bilingual Spanish and Catalan · English B1 (High Intermediate)
